Your Honor,

I am writing you because of a concern I have with my P.S.R. being on schedule. The probation department as already asked you for one continuance. You and I were ready in January, but probation was not, the asked for two months more time and you granted them that time.

After my first araignment and talk with my lawyer, I waisted none of the Courts or governments time and had my lawyer move my Court date to plead gutty to on a sooner date than I was given.

All I am asking for is for the probation department to do the same and keep the new dates that they asked for.

I am the sole person on my one line inditment with two misdemeanor convictions in the last 15 years. I have filled out the written part of my P.S.R. forms my lawyer sent me the day after I plead guilty. My Case is know mind challenger for these probation officers that do multy person, with multy line Counts. It realy should be boring to them.

This Joe Corley detention Center is realy a deplorible place and I would realy like to get on to the prison of my Choice Closest to my family in the state of Missouri. I have been here six months as it is and my family Can not see me because it is 750 miles away from them. I am 50 myself. This letter to you does not reflect my feeling about my lawyer. He has been a great help and a respectfull person the entire time, although he is probbly going to give me the ~~[illegible]~~ lecture for this letter.

Please see that probation stays with the dates that they asked for, so I Can get my sentance and move on.

Thank you
